

Are you enrolled in the ECPC program at Palm Beach State College?

For the most current and complete information about entering the ECPC program, please attend this Information Session. Attendance is **MANDATORY** in order to participate in the ECPC class.

This session will cover the requirements, module sequence, SEEK Scholarship information and more. There is no cost for the session but students **MUST** register. The Information Sessions start promptly at 6:30pm.

Please bring your DCF Training Transcript and TABE results (if applicable) to the Information Session

For ECPC program information or to register online for one of the Information Sessions visit the program website at:
