

Outcomes Driven Training (ODT):

An in-depth, professional train-the-trainer program taught by certified Results Driven Trainers

Why Attend?

- ★ Take your professional training skills to the next level!
- ★ Become a verified trainer ready to enter the Palm Beach County Registry.

Professional Gains?

- ★ Training plans driven by Palm Beach County Core Competencies
 - ★ Activities that engage and respect the adult learner
 - ★ Research-based techniques to transfer learning to the workplace
- ★ Professional training skills based on principles of adult learning with emphasis on achieving positive workplace outcomes.

Trainer Approval Series

A five part training program which includes the Core Competency, Trainer/Training Standards and ODT manuals:

- 1) **Trainer/Training Orientation (TO)** to the Registry
- 2) **Score with the Core:** Core Competencies for Early Childhood Practitioners
- 3) **ODT I:** Principles of Adult Learning & Effective Training Design
- 4) **ODT II:** Learning Styles and Active Training Techniques
- 5) **Information Technology (IT)** for Registry input
