

Special Needs Appropriate Practices

Now Available Online!

The Department of Children and Families Child Care Services Program Office is offering a new course, *Special Needs Appropriate Practices*. This course has been developed to help child care personnel provide care to children with disabilities, developmental delays, or intellectual gifts. The course includes an overview of the knowledge and skills, information about support services, and assists providers to learn how to comply with federal and state laws.

To access this course, go to
www.myflorida.com/childcare
and select “Training Requirements.”

Special Needs Appropriate Practices may be used to meet the annual in-service requirement, mandated Part II training requirement, and one of the core requirements of the Florida Director Credential.
